GENERAL PRINCIPLES USED WHEN ALLOCATING TRAINING SLOTS

- Na Fianna has many teams but a limited number of training slots, this makes the assignment of training slots a difficult process so compromise is needed to ensure that each age group gets a slot.
- Therefore it is important that each age group understands the general principles used when allocating training slots.
- The allocation of training slots is done by the Juvenile Games Chairperson
 - Older age groups take priority in the assignment of training slots.
 - Training slots are assigned to age groups not individual A, B, C or D teams.
 - Younger age groups are preferentially allocated earlier slots.
 - Where groups are sharing a pitch and both have a preference for a given end, then both groups must agree to alternate.
 - Scoll Coltriona Back Pitch, St. Patricks DCU and NAF AW Slots are all on the hour - will review SC Back Pitch times at the end of May once Adult fixtures ease off.
 - Please check the club website for NAF Fixtures and County Board Fixtures (at Albert College/Johnstown Park) which take precedence over all training.
