## Covid-19 – Na Fianna Update

Since last week's Government guidelines on dealing with Covid-19 were announced, CLG Na Fianna has consistently advised members to follow the guidelines as recommended by official sources. This will continue to be the case and all members and mentors are asked to only use or refer to information from these official sources i.e. HSE, Department of Health etc.

In the following pages please see latest website links, some practical guidelines and latest communications from our relevant sporting bodies.

Given the current situation the Club Executive has made the following decisions in the best interests of Na Fianna members.

- No organised or unorganised training sessions to go ahead. This is our social responsibility to our players, our community and country, and protects the Club's reputation and good standing within the community.
- The Club gym, an unsupervised facility, will close with immediate effect.
- The Senior 3 Camogie fundraiser scheduled for Monday 16<sup>th</sup> March has been postponed and will be rescheduled. Enquiries regarding refunds to Edel Cassidy.
- Good Friday's Na Fianna 5k Fun Run has been postponed and registration has been suspended and will be rescheduled.
- The Clubhouse and Members' Bar will remain open for the meantime.
- The Club will honour third party function bookings for this weekend and all are subject to full adherence to public health guidelines.
- Parents and Guardians are also reminded that Na Fianna does not purport to offer supervision to children on the club premises or grounds. In addition, Juveniles are asked not to bring non-members into the club grounds. This notice is also printed on membership form. Parents should also note that children should not under any circumstances enter the club buildings during the day as the premises are unoccupied and unsupervised. Membership card access to club facilities is being monitored and any obvious pattern of mis-use will result in access services to individual membership cards being withdrawn. The co-operation of all is appreciated.

# Na Fianna Nuacht

- All coaching events and Na Fianna Nursery suspended until after 29<sup>th</sup> March

Members will understand that due to the ever-changing environment in which we find ourselves, decisions on further closures, restrictions and limitations may be taken on a daily basis but that any further changes will be communicated as they arise.

Na Fianna's Whatsapp groups are intended for club communication and should only be used for the cascading to team groups of club related information and updates from verified official sources.

Most importantly, stay safe and look after each other. We are going through unprecedented times and an appeal is being made to all members and the Na Fianna Community, in the interests of public safety, to follow all published guidelines.

Ní neart go cur le chéile.

## 2006 Camogie Medal Presentation

The new Camogie season is about to start and everyone is eagerly looking forward but the 2006 group had some final celebrations for 2019 to complete recently. In what was a very good year for this group, the Division 1 team had a very successful league and narrowly lost out in the championship semi final while the Division 5 team went one better and made it all the way to the decider. Not to be out done the Division 6 team won their Shield final, played on home turf with great support from all the rest of the playing group the girls it was a memorable day for all. A good year and we are very grateful for the support from the 2007 Camogie girls who helped us both throughout the year and in the finals.

In order to mark the occasions we had a presentation recently in the club and were delighted to have Na Fianna Senior player and 2019 Dublin Camogie Captain Roisin Baker with us to present the medals to the girls. Further thanks are due to the Roisin and other players from our Senior Camogie team who helped out at the start of the year with some training sessions for the girls. A highlight of the year for us was when the 2006 girls scheduled our own training around the Senior teams game in Mobhi Road against St Judes. A great win for the Seniors and the 2006 girls enjoyed having a puck around on the pitch at half time.
