GENERAL PRINCIPLES USED WHEN ALLOCATING TRAINING SLOTS

Na Fianna has many teams but a limited number of training slots, this makes the assignment of training slots a difficult process so compromise is needed to ensure that each age group gets a slot.

Therefore it is important that each age group understands the general principles used when allocating training slots.

1. The allocation of training slots is done by the Juvenile Games Chairperson
2. Older age groups take priority in the assignment of training slots.
3. Training slots are assigned to age groups not individual A, B or C teams.
4. Younger age groups are preferentially allocated earlier slots.
5. Where groups are sharing a pitch and both share a preference for a given end, then both groups must agree to alternate.
6. AW Slots are on the hour.
7. Please check the club website for County Board Fixtures which take precedence over training.
